

## Living Series

### Freedom Shelving System

Benefits of a flexible space saving Modular Shelving System:

- a. Various cabinet outlooks can be created by using the varying height of frames and arrangement of shelves and cabinets as building blocks.
- b. Space can be maximised by adjusting the shelves and cabinets.
- c. System can be expanded, reduced or outlook changed as your requirement change.
- d. Free standing and beautifully made.
- e. Loading weight is from 15kg - 30kg depending on width of shelves.
- f. Choice of colour for frames and wood panels.
